EDUCATION

Bachelor in Computer Application Dr. B.C. Roy Academy of Professional Courses MAKAUT	Durgapur, West Bengal 2023-2026
Class XII Wetge Public School CBSE 60%	Bokaro, Jharkhand Comp. May 2023
Class X Carmel High School JAC 80.80 %	Bokaro, Jharkhand Comp. July 2021

EXPERIENCE

AICT —Full Stack Web Development Intern (MERN-Stack) Durgapur, West Bengal	July 2025 – Sep 2025
- Developed a property rental website using MERN. - Ensured compatibility across various devices and browsers. - Enhanced website functionality through API integration.	

PROJECT

Property Rental Website	Link
- Developed a responsive property rental web application using Ejs and Bootstrap, enabling users to browse and view rental listings across devices. - Implemented secure login and session management using Express.js, with MongoDB handling dynamic property data and user interactions.	

ACHIEVEMENT

Designed, developed, and implemented an individual project.

Independently built a Property Rental Website, applying the MVC architectural model to ensure clean separation of concerns, while showcasing end-to-end ownership of backend (MongoDB, Express.js) and frontend (EJS, Bootstrap) integration.
